

INTERNATIONAL MARINE UNDERWRITERS COMMERCIAL MARINE PACKAGE POLICY

This program continues International Marine Underwriter's (IMU) strategy of developing specialty products for the Marine Industry. This product is designed for a large array of commercial marine businesses which can be found throughout the United States. The following is only a small sample of the type of businesses that may qualify under this program.

Marine Contractor	Commercial boat builder	Yacht manufacturer
Ship repair yard	Terminal operator	Passenger vessel operator
Stevedore	Tankerman	Marine artisan
Wharfinger	Dock / Bulkhead builder	Dredging contractor

You will now be able to consolidate multiple policies into one package with one of the leading U.S. marine insurance underwriters. The IMU Commercial Marine Package Policy gives you one policy from one underwriter with flexible payment options, including Direct Bill.

UNIQUE PROGRAM FEATURES

- Combined Single Deductible for all liability coverages.
- Demurrage coverage available for Marine Bailee Liabilities.
- Pollution Liability coverage available up to the Liability Occurrence Limit.
- Builders Risk coverage for commercial vessels and a form designed specifically for private pleasure boat builders.
- Combined Single Deductible available to cap individual deductibles for multiple property exposures.
- Pollution Physical damage coverage available for covered property up to \$100,000.
- Transition Period for current IMU policies (MCL) to protect against any difference in coverages.
