

Taxicab Liability

Our Taxicab Liability product line targets small to mid-sized local cab fleets. The majority of our book is written on a non-admitted basis. We do have the ability to provide admitted paper where required by jurisdiction.

Coverages

- Primary auto liability written on a commercial business auto form
 - Up to \$1,000,000 per accident
 - New ventures up to \$350,000 per accident (must have taxi cab experience)
- Comprehensive general liability - \$1 million per occurrence, \$2 million aggregate
- Buffer Excess Auto Liability - \$1 million per occurrence for taxi, paratransit, and non-emergency ambulance accounts
- Auto Liability on Symbol 7 basis only
- Package policies - auto and GL for small fleets, less than five vehicles

Target Classes

- Small to mid-sized taxicab fleets and owner-operators with at least 3 years experience
- Insureds with well-maintained vehicles less than 13 years old
- Insureds with experienced and professional drivers

Maximum Limits of Liability \$1,000,000

Minimum Premium \$2,500
