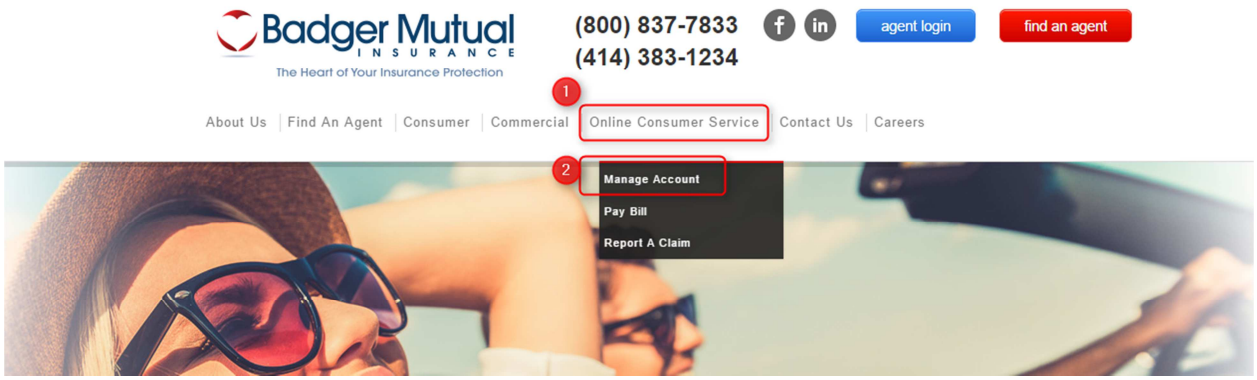
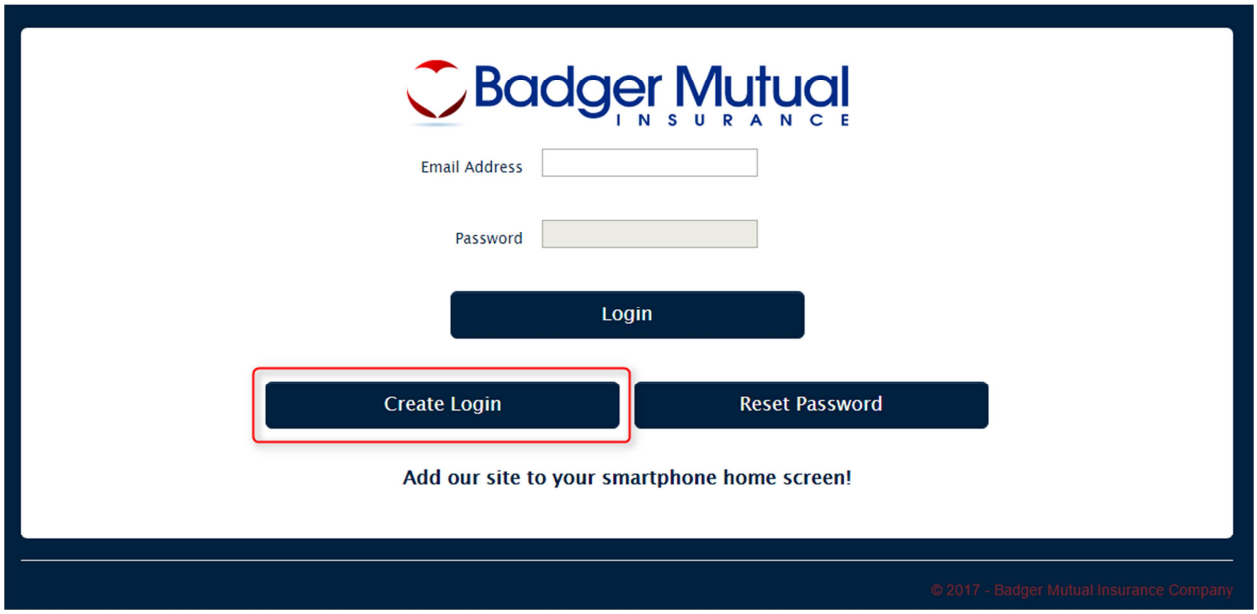
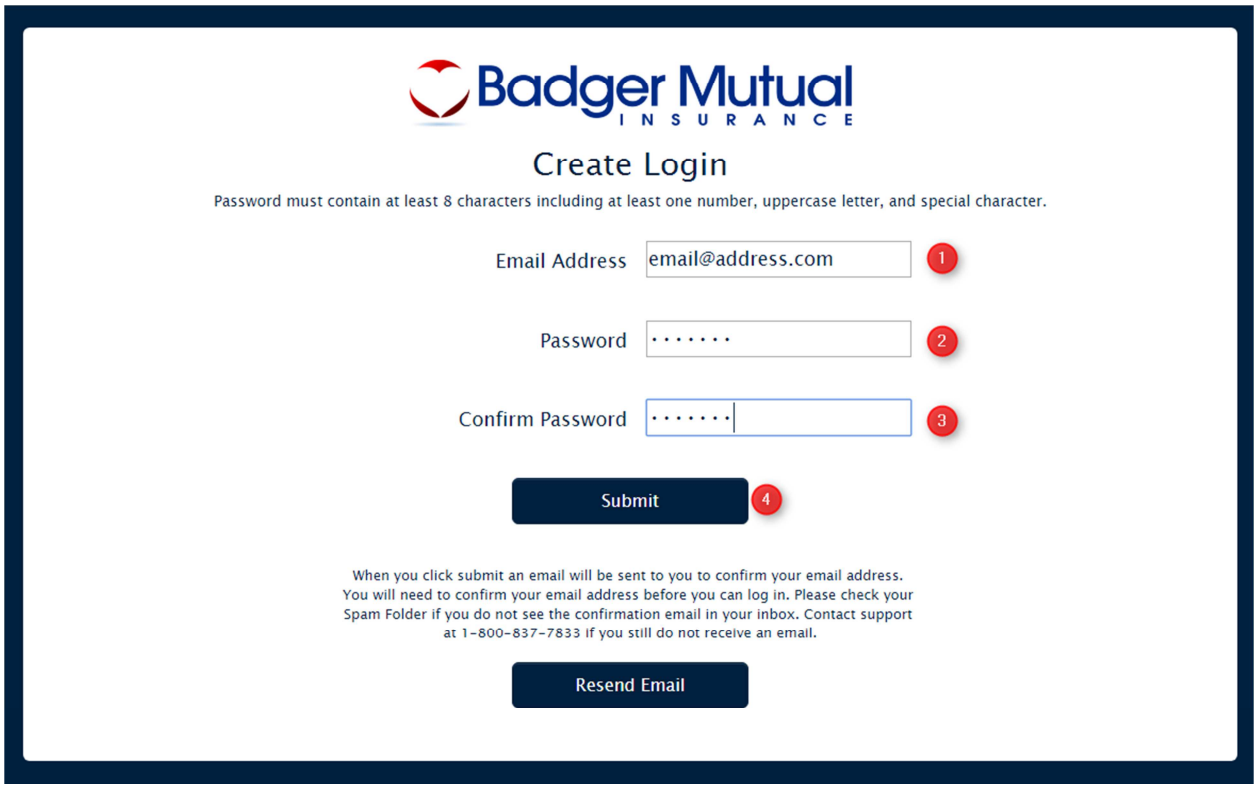
How to Create an Online Account on BadgerMutual.com



1. Hover over “Online Consumer Service” to reveal menu
2. Click “Manage Account” to open the account login page

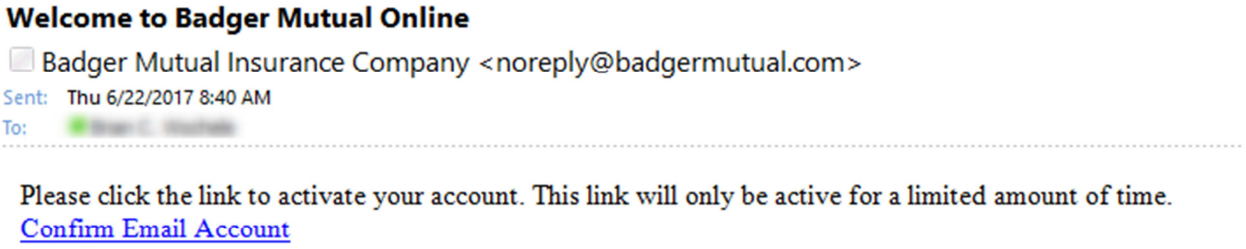


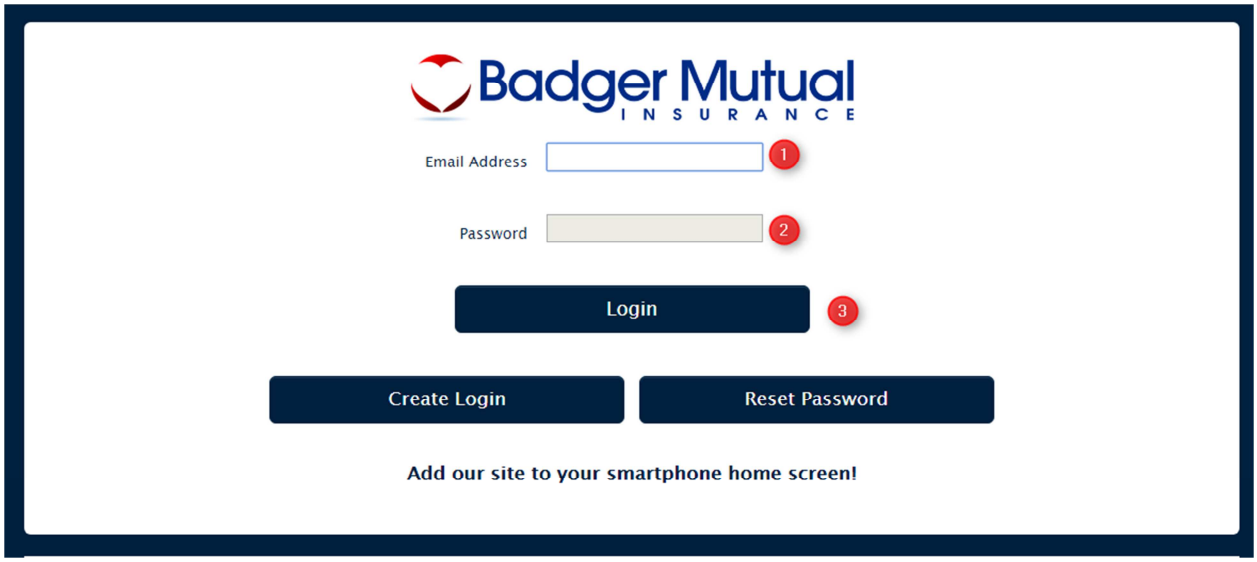
Click the “Create Login” button



1. Type email address in “Email Address” textbox
2. Type desired password in “Password” text box
    a. Password must contain at least 8 characters including at least one number, uppercase letter, and special character.
3. Re-type desired password in “Confirm Password” text box
4. Click “Submit” button

The user will receive an email with a link to confirm the email address. Clicking this address will activate the account and allow the user to login.





1. Enter email address in “Email Address” text box
2. Enter password created during the account creation step in “Password” textbox
3. Click login button

Upon successful login, the user will be presented with the user portal.
